### AFFIDAVIT

In the State of Kentucky, County of Warren,  
Timothy Adams, being duly sworn, deposes and says that he is  
Timothy Adams, residing at 1132 Fairview Ave, Bowling Green, KY and that the  
statements below are true concerning his employment at the City and County of Honolulu  
Elections Division in Honolulu, Hawaii:

1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Sen. Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie is now asserting and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on Aug. 4, 1961.
7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a

long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.

8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

### STATEMENT BY DR. CHIYOME FUKINO

"There have been numerous requests for Sen. Barack Hussein Obama's official birth certificate. State law (Hawai'i Revised Statutes §338-18) prohibits the release of a certified birth certificate to persons who do not have a tangible interest in the vital record.

"Therefore, I as Director of Health for the State of Hawai'i, along with the Registrar of Vital Statistics who has statutory authority to oversee and maintain these type of vital records, have personally seen and verified that the Hawai'i State Department of Health has Sen. Obama's original birth certificate on record in accordance with state policies and procedures.

"No state official, including Governor Linda Lingle, has ever instructed that this vital record be handled in a manner different from any other vital record in the possession of the State of Hawai'i."

Director of Health

1250 Punchbowl Street, Room 325  
Honolulu, Hawaii 96813

Dear Ms. Fuddy:

I am writing on behalf of my client, President Barack Obama. Enclosed please find a letter from my client requesting two certified copies of his original certificate of live birth and authorizing me to act on his behalf in completing this request.

As you know, several years ago, my client requested a certified copy of his birth certificate and received, pursuant to the policy and practice of the Hawaii Department of Health, a Certification of Live Birth, sometimes referred to as a "short-form" or abbreviated birth certificate. This Certification of Live Birth is, of course, legally sufficient evidence of birth in the State of Hawaii. Moreover, it is my understanding that it is, and has been, the Department of Health's longstanding policy and practice to provide only the "short-form" version when a certified copy of a birth certificate is requested.

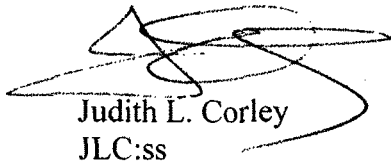

We understand that the Department of Health has adopted this policy for sound administrative reasons. However, we are writing to request a waiver of the Department of Health's policy, so that my client can obtain two certified copies of his original, "long form" birth certificate. Waiver of the Department's policy in this instance would allow my client to make a certified copy of his original birth certificate publicly available and would also relieve the burden currently being placed on the Department of Health by the numerous inquiries it receives from the media and others relating to my client's birth record.

We are of course, willing to complete any necessary paperwork and pay the standard required fees to fulfill this request. Pursuant to my client's authorization, I will be coming to your offices to pick up the copies of the certificates.

Thank you for your assistance.

Sincerely,

Judith L. Corley

Dear Ms. Fuddy:

I am writing to request two certified copies of my original certificate of live birth. With this letter, I hereby authorize my personal counsel, Ms. Judith Corley of Perkins Coie in Washington, D.C., to act on my behalf in providing any additional information or paying any fees required by the Department of Health to fulfill my request. Ms. Corley is also authorized to make any necessary arrangements for delivery of the certified copies from your office.

Thank you for your assistance.

The Honorable Barack Obama  
President of the United States  
The White House

Dear President Obama:

I have reviewed your request for two certified copies of your original Certificate of Live Birth. As the Director of Health for the State of Hawaii, I have the legal authority to approve the process by which copies of such records are made. Through that authority, in recognition of your status as President of the United States, I am making an exception to current departmental policy which is to issue a computer-generated certified copy.

We hope that issuing you these copies of your original Certificate of Live Birth will end the numerous inquiries received by the Hawaii Department of Health to produce this document. Such inquiries have been disruptive to staff operations and have strained State resources.

Enclosed please find two certified copies of your original Certificate of Live Birth. I have witnessed the copying of the certificate and attest to the authenticity of these copies. A receipt for the payment of these documents is attached for your files. Please let us know if we can be of further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Loretta J. Fuddy".

### NEWS RELEASE

NEIL ABERCROMBIE  
GOVERNOR

**FOR IMMEDIATE RELEASE:** April 27, 2011

### **HAWAI'I HEALTH DEPARTMENT GRANTS PRESIDENT OBAMA'S REQUEST FOR CERTIFIED COPIES OF 'LONG FORM' BIRTH CERTIFICATE**

HONOLULU – The Hawai'i State Health Department recently complied with a request by President Barack Obama for certified copies of his original Certificate of Live Birth, which is sometimes referred to in the media as a "long form" birth certificate.

"We hope that issuing certified copies of the original Certificate of Live Birth to President Obama will end the numerous inquiries related to his birth in Hawai'i," Hawai'i Health Director Loretta Fuddy said. "I have seen the original records filed at the Department of Health and attest to the authenticity of the certified copies the department provided to the President that further prove the fact that he was born in Hawai'i."

On April 22, 2011, President Obama sent a letter to Director Fuddy, requesting two certified copies of his original Certificate of Live Birth. Also on that day, Judith Corley, the President's personal attorney, made the same request in writing on behalf of the President. *(Letters from President Obama and Ms. Corley are attached).*

On April 25, 2011, pursuant to President Obama's request, Director Fuddy personally witnessed the copying of the original Certificate of Live Birth and attested to the authenticity of the two copies. Dr. Alvin Onaka, the State Registrar, certified the copies.

President Obama authorized Ms. Corley to pick up the documents. On April 25, 2011, Ms. Corley appeared in person at the Hawai'i State Department of Health building in Honolulu, paid the requisite fee, and was given the two certified copies, a response letter from Director Fuddy to President Obama, and a receipt for payment. *(Letter from Director Fuddy is attached).*

-MORE-

**Exhibit 9**

In June 2008, President Obama released his Certification of Live Birth, which is sometimes referred to in the media as a "short form" birth certificate. Both documents are legally sufficient evidence of birth in the State of Hawai'i, and both provide the same fundamental information: President Obama was born in Honolulu, Hawai'i at 7:24 p.m. on August 4, 1961, to mother Stanley Ann Dunham and father Barack Hussein Obama.

In 2001, the Hawai'i State Department of Health began computer-generating vital statistics records. Since then, its longstanding policy and practice has been to issue and provide only the computer-generated Certifications of Live Birth, and to not produce photocopies of actual records to fulfill requests for certified copies of certificates.

Director Fuddy made an exception for President Obama by issuing copies of the original birth certificate. The departmental policy to issue only computer-generated Certifications of Live Birth remains in effect for all birth records that have been computerized. Director Fuddy, in her capacity as Health Director, has the legal authority to approve the process by which copies of birth records are made.

"The exception made in this case to provide President Obama with a copy of his original Certificate of Live Birth was done according to the letter of the law," Attorney General David Louie said. "Director Fuddy exercised her legal authority in a completely appropriate manner in this unique circumstance. We will continue to maintain the strict confidentiality requirements afforded to vital statistics records, such as birth certificates. These requirements help protect the integrity of the records, and keep us all safe from crimes, such as identity theft."

Governor Neil Abercrombie stated: "Considering all of the investigations that have been done and the information that has been provided, no rational person can question the President's citizenship. We have found a way – once again – to confirm what we already knew: the President was born here in Hawai'i. State officials of both parties have verified that President Obama's birth records show that he was born in Honolulu.

"President Obama's mother and father were dear friends of mine, and we must respect their memory. It is an insult to the President, his parents and to the Office to suggest that he was not born in Hawai'i. The State of Hawai'i has done everything within our legal ability to disabuse these conspiracy theorists. We granted the President's request for certified copies of his birth certificate so we can all move on from this unfortunate distraction and focus on the real issues affecting people today."
